A Capitol Hill Hotel

In the nation's capital, our character remains rooted in the rich history of those who have come before us. We have no doubt that our founding father George Washington would send a nod of approval toward this capital Washington DC venue we've created in his name. Whether you're with us for work or play, immerse yourself in our historical downtown location, just a stone's throw away from Union Station and a short walk from the Capitol Building and countless Smithsonian museums. Visit our famous neighbors, the Lincoln Memorial and Washington Monument, or delve into our local scene at Eastern Market.
